Publicly Traded Company

NOTICE TO THE MARKET

Usinas Siderúrgicas de Minas Gerais S.A. – USIMINAS ("Usiminas") announces that it signed yesterday contracts with some of its distributors, transformers and service centers for the creation of Rede Usiminas, a product distribution network with presence in 15 Brazilian States. A pioneering initiative in the Brazilian flat steel market, Rede Usiminas seeks to increase competitiveness and efficiency in the sale of the products and services of the Company and of its partners through a wider distribution network and the strengthening of Rede's participating companies, which will be enabled to better assist the market and will also receive technical assistance and training by Usiminas as a result of the partnership.

Belo Horizonte, July 15, 2010.
