**NOTICE TO MARKET**

**Usiminas in the Corporate Sustainability Index (Índice de Sustentabilidade Empresarial – ISE)**

Usinas Siderúrgicas de Minas Gerais S.A. - USIMINAS (Bovespa: USIM3, USIM5, USIM6; OTC: USNZY; Latibex: XUSI, XUSIO), integrates, as of December 1, the Corporate Sustainability Index (ISE) of BMF&BOVESPA, which is composed of companies' shares that are committed to sustainability practices and corporate governance.

The new ISE portfolio, which will be valid until November 30, 2010, gathers 43 shares of 34 companies. They represent 15 sectors and add up to R\$ 730 billion in market value, equivalent to 32.21% of the total market value of companies traded on the BMF&BOVESPA on 11/24/2009. Participating Companies were selected among the 51 companies that responded to the Center for Sustainability Studies' questionnaire, sent to 137 companies with the 150 most liquid shares of BM&FBOVESPA.

Participation in the portfolio reflects the Company's position in relation to transparency, sustainable practices and openness to dialogue. Usiminas has taken important steps to improve the management of indicators in the economic, social and environmental dimensions, which are evaluated in the ISE.
